## Health Current HIE Portal Update

Health Current, Arizona's health information exchange (HIE), has added checkboxes in a patient's record to allow for multiple clinical items to be selected for downloading and/or secure sharing. The steps below will provide instructions with screenshots of the new feature in the HIE provider portal.

### Step 1:

Open a patient's clinical record and look for the open check boxes next to the clinical items.

Adams, James Male 06/07/1942 (74 yrs) (Community ID:1387618)  
123 MAIN ST. MURIETTA, GA 33222
