**May 2017**

## **North Mountain Medical & Rehabilitation Center is the 300th Health Current Participant**

North Mountain Medical and Rehabilitation Center became the 300th [Health Current](#) participant this past week. North Mountain Medical and Rehabilitation Center, a long-term care facility located in north Phoenix, is a part of the Ensign Group, a national affiliation of more than 250 post-acute care facilities which has added its 21 long term care facilities in Arizona to Health Current. This brings the total of long-term care facilities participating in Health Current to 46. [Read More](#)

## **10th Annual Health Current Summit & Trade Show**

### **The Power of Fully Informed Health**

June 20 - 21, 2017

Renaissance Phoenix/Glendale Hotel & Spa, Glendale, AZ

Health Current's 10th Annual Summit & Trade Show promises to be the largest ever, featuring best practices and discussions on integrating

information and transforming healthcare. Health Current has become the

nation's fastest growing health information exchange (HIE), growing more than 800% over the past two years, integrating both physical and behavioral information and providers. Now with more than 300

participating organizations including hospitals representing 95% of all inpatient and emergency department discharges, the 10th Annual Summit & Trade Show will be an outstanding opportunity to network and discuss how more complete and more meaningful information can lead to better care and better outcomes.

## 10th Anniversary Celebration Held at the Wrigley Mansion

The week before it was rebranded as [Health Current](#), Arizona Health-e Connection celebrated its 10th Year Anniversary. The event was held on April 12, 2017 at the historic Wrigley Mansion, perched on a hilltop in the Biltmore area of northeast Phoenix. A number of invited stakeholders and Health Current participants attended the event to celebrate the first 10 years of Arizona's non-profit organization which has led health IT and health information exchange advancement.
