July 2021

## COVID-19 Immunization Data Now Available in the HIE

[COVID-19 Immunization Data](#) is now available from the Arizona health information exchange (HIE). Arizona HIE portal users can access the data today – simply log in to the portal to see if a patient your organization serves has received the COVID-19 vaccine. This status will be reflected in the immunization section of portal patient record. Immunization data shared by HIEs offers several benefits:

- Provides rapid access to important patient health information at the point of care;
- Helps speed the collection of vaccine data and allows the healthcare community to assemble a clearer picture of at-risk populations;
- Proven effective in the fight against seasonal flu, shingles, and other infectious diseases; and
- Reduces the amount of paperwork involved in immunization tracking and frees clinical staff to pursue other patient care activities.

Learn more about the new [COVID-19 Immunization Data services](#) available from the HIE, or contact your Health Current account manager or the client support team at: [HIEsupport@healthcurrent.org](mailto:HIEsupport@healthcurrent.org).

ACHIEVE | 2021

# 14th Annual Health Current Summit & Trade Show October 12 – 13, 2021

## SPONSOR PROSPECTUS AVAILABLE

Health Current, Arizona's health information exchange (HIE), has grown to nearly 1,000 participating organizations. Our growth is not only in numbers, but also diversity. Today, Health Current participants represent a broad spectrum of the healthcare landscape, from first responders, reference labs, hospitals, community providers and behavioral health providers to long-term care facilities, home care and hospice providers.

We look forward to coming together in person this year at ACHIEVE 2021 – the 14<sup>th</sup> Annual Health Current Summit & Trade Show. The event includes a variety of presentations on a range of topics, including: an HIE update on new technologies and services – including the HIE 3.0 platform, the launch of Arizona's Healthcare Directives Registry, the Social Determinants of Health Closed Loop Referral System, use cases by HIE participants, and panel discussions on multiple topics, including Arizona's on-going response to the COVID-19 pandemic.

Sponsorship opportunities are now available. Download the Sponsor Prospectus and join more than 300 healthcare and health IT professionals at ACHIEVE 2021.

## 2021 Health IT Innovation & Leader Awards Nominations Are Open

Nominations are open for the 2021 Health IT Leader and Health IT Innovator Awards. The deadline to submit a nomination is **Tuesday, August 31**. These prestigious awards recognize a Health IT leader who demonstrates leadership in the use of health information technology, as well as an organization that develops or demonstrates innovative uses of health information technology, to achieve the Triple Aim of better care, better outcomes and lower costs.

The Health IT Innovation and Health IT Leader of the Year Awards will be presented at the **2021 Health Current Summit & Trade Show** on **October 13, 2021**. The Health IT Innovation Award and the Health IT Leader Awards are non-monetary recognitions of achievement.
