HIE 3.0 Migration Training Sessions Completed

Congratulations to the approximately 4,600 individual users of the HIE portal and alerts who completed their required HIE 3.0 migration training. Going forward, new individual users will have five (5) options for HIE 3.0 training. They are:

1. WebEx training with the Health Current Learning & Development Team
2. One-on-one training with your Account Manager
3. Self-paced learning via the Health Current learning center

4. Train-the-trainer – on-site training conducted by someone at the HIE participant site
5. Web-based video recording on healthcurrent.org (coming soon)

All non-HIE 3.0 services will be discontinued by the end of 2021. If you are an existing legacy user and have not migrated to the new HIE 3.0 platform, please contact your Account Manager to begin your migration today.

Welcome! New HIE Participants
